

GSFC
UNIVERSITY
EDUCATION RE-ENVISIONED

Covid -19 Vaccination of
all students between
Age group 15-18

GSFC University

Circular

Circular No. 5367

Date: 6th January, 2022

In continuation of the efforts to contain the spread of COVID-19, the Government has laid emphasis on Covid vaccination of children in the age-group of 15-18 years from 3rd January 2022. The vaccination is most important step in controlling the third wave of Covid-19. The Government of India is vaccinating people at world record pace and it is our moral duty to continue this with even greater momentum.

In view of above, all the students are advised to get themselves vaccinated, so as to effectively contain the spread of COVID-19. They are further advised to continue to follow covid-appropriate behavior, even after vaccination, by frequent washing of hands/sanitization, wearing a mask/face cover and observing social distancing etc.

All the Dean/Associate Dean of respective school are advised to impress upon the students for vaccinating themselves as early as possible and keep a record of vaccinations of students.
