### **GSFC University** **Circular**

Circular No.: 5448

Date: 18.02.2022

The number of Covid-19 cases have been reducing progressively day by day and consequently, the Government of India has permitted the State Governments to give relaxations in the restrictions imposed by the State Government for containing the pandemic. In pursuance of the above, the Education Department of Government of Gujarat has now permitted all schools and colleges to function completely offline from 21<sup>st</sup> February 2022. As a result, now all the schools and colleges will resume all academic activities offline with 100% capacity effective from 21<sup>st</sup> February 2022.

In view of the above, the GSFC University management has decided to resume all activities offline with effect from 21<sup>st</sup> February 2022 and it is made clear that there shall be no online classes from the said date.

Hence, all the teaching staff and the students are advised to take note of the above decision and report at the campus for on campus academic activities. All stakeholders are also advised to strictly follow the Covid-19 appropriate behavior while at the campus.
