THE INDUSTRY CONNECT & INTERNSHIP PROGRAMME

The University offers students a platform to develop skills needed for their professional success. Courses are anchored around hands-on, practice-based approach. They aim to equip students with practical experiences and knowledge, preparing them to meaningfully engage with their future employers.

The Governing Body of GSFC University comprises industrialists; educationists; management, finance and legal experts; and representatives from the social sector. Further, GSFC being one of the star joint sector company promoted by Govt. of Gujarat with more than 60 years of existence with rich legacy, means that it is in tune with latest trends and opportunities across various disciplines.

GSFC's own plants, subsidiaries and associates expose students to a professional and real-life work space. The company offers its facilities as a learning ground where students engage in projects, challenging case studies and group work.

The mandatory and intensive internship programme gives students a great opportunity to acquire practical knowledge and learn how to work within a corporate environment.

In addition to GSFC, an association has been developed with more than 100 industries for imparting internship on a "Medical College" model.

QUALITY CONTROL CELL (QCC)

The Quality Control Cell (QCC) pioneers modern industry quality practices in academics and its training programs. It concurrently evaluates the quality of student, faculty and assets of University. It will also assess the quality of sponsored R&D activities by faculty.

GU INCUBATION INNOVATION TECHNOLOGY AND APPLIED RESEARCH (GUITAR) COUNCIL

GSFC University has set up GUITAR Council, a Section 8 company registered under the Companies Act 2013 to promote and support creativity, innovation and spirit of enterprise among young students. It aims at fostering multidisciplinary learning from the disciplines like Technology, Science and Management with Liberal Art Skills in order to enhance entrepreneurship capabilities with a focus on innovative solutions to the problems faced by Industry and Society as well.

STUDENT MANAGED CLUBS:

Life at campus is not just about classrooms and academics. Students can network and pursue a range of interests covering sports, cultural, technical, literary or just about any area of their choice through clubs that they are free to form. Campus life is routinely animated with festivals, competitions and club activities round the year.
