

Education Qualification:

- Executive MBA, General Management, SPJIMR, Mumbai
- M.E. Mechanical, Cryogenic Engineering , L.D. C.E, Gujarat University, Ahmedabad
- B.E. Mechanical Engineering, B.V.M, S.P.University, V.V.Nagar

Research Interest:

Finite element analysis for Mechanical Structures of Off highway and Automotive vehicles

Academic Affiliation:

- Board of Study Member, Mechanical Engineering, GSFC University
- Alumni, B.V. M Engineering College, V.V.Nagar
- Alumni, SPJIMR, Mumbai

Industry Experience:

Corporate Professional turned Entrepreneur chasing dreams and desire of running my own Company. An professional with multitasking attitude and apply financial engineering concepts for analyzing business data and metrics and perform result oriented projects. Instrumental in Business Process Automation and Standardization and managed complete project life cycle and contribute in operational excellence. **Total 15yrs Experience in Industry.**

RPM2pi Consultancy (Founder) Sep2016 onwards

- RPM2pi Consultancy offers Training, Staffing and Project Consulting solutions to Engineers, Engineering Institutes and Engineering firms. It currently focuses on the Sales and Project Management and manages the Deliverable's through its Delivery Partners.
- Sales & Project Management Consultant for ESPL, Monarch, Collonmade, Creative Works
- Primary portfolio of services caters to offer Product Design & Validation, CAE/CAD Customization, Product and system level Testing and correlation.

L&T Technology Services:

Mr. Rahul Athale

**Assistant Professor,
Mechanical Engineering**

**School of Technology
(Visiting Faculty)**

- In my last Corporate role worked as Manager-Corporate Operations Sales for a Global Vertical to manage Business Sales operation at L&T Technology services. Total 13 years with L&T in different roles as below.

- Good Analytical, problem solving and inter personnel skills
- Experience of working in teams across geographies and diverse cultures (France onsite experience)
- Excellent communication skills and team working spirit.
- In Delivery, 5 years of experience in Product design and development in Mechanical design validation by using Computer aided engineering

Courses Taught:

1. Dynamics of Machine (Mech engg)
2. Industrial Management (Chem engg)
3. Modern Manufacturing Process(Mech engg)
4. Automotive Systems (Mech engg)
5. Manufacturing Process (Mech engg)
6. Work life Balance Workshop (BBA)

Conference & Seminar:

Technical Paper in National Conference: Robustness and Benefits of DPCG solver in solving large FE models with instability due to contact boundary conditions. This paper was presented at ANSYS India Conference held at Bangalore Nov- 2006

Awards & Honors:

- ✓ In cost initiative Project Our team of , saved around 11 Cr. Rupees in FY14-15.
- ✓ L&T reward for scoring above par in E-MBA in 2011.
- ✓ Won 1st prize at SBU level in Technophilia competition organized at L&T , was also volunteer for this nationwide drive “Joining Missing links – Bridging knowledge between SBU”
- ✓ Nominated for MLP and EMP program , Leadership development program at L&T
- ✓ Hold first rank in M.E in my branch.
- ✓ Certification course from NMIIMS , under Executive development program sponsored by L&T Corporate HR
- ✓ Recognized for Best Title at GET yearly competition during 1st Year “ L&T – YE = 0 “
- ✓ GATE score 97.7
