

Mr. Rahul Athale,
Professor Of Practice,
Chemical Engineering
SOT

Education

- Executive MBA, General Management, SPJIMR, Mumbai
- M.E. Mechanical, Cryogenic Engineering , L.D. C.E, Gujarat University, Ahmedabad
- B.E. Mechanical Engineering, B.V.M, S.P.University, V.V.Nagar

Background

Currently an Entrepreneur, Managing Director RPM2pi Consultancy (Sept 2016 onwards)

I have worked with L&T for 12 years in different roles as below:

Business Analyst Corporate Operations and Processes, worked along with Mckinsey for Operational Excellence drive to optimize direct operational cost in delivery teams & for corporate initiatives to drive & optimize Indirect Cost or G&A.

Lead and Drove team to develop Processes by deploying systems and tools and managing Change.

Achieved cost saving of 8 Cr in FY15 in Travel & Utilities expenses at org level.

Instrumental in Business Process Automation and Standardization and managed complete project life cycle for 3 portal launches viz. Travel expense portal, Car portal, C2B Ticketing portal.

In earlier role as operations manager, worked extensively with the Resource Management Group and Productivity Improvement group. Responsible for Resource Management activities, Resource forecasting, hiring activities, Utilization management, People Management. Analyzed operations data and generated dashboards to get the team aligned with organizational goals.

Concurrently performed multiple roles such as PMO, Resource coordinator, Productivity lead, SPOC Pulse. At Various phases, hands on experience on Management Reporting, Invoice-Revenue Management, Budgeting, Manpower Planning, Mentoring-Training-Group tasks, Knowledge Management, QMS- Process Adherence.

Experience of working in teams across geographies and diverse cultures (France onsite experience)

Excellent communication skills and team working spirit.

Teaching Engagements:

- Industrial Engineering Practices
- Engineering Mechanics
- Machine Design and Industrial Drafting

Achievements:

- In cost initiative our team of 4 saved around 11 Cr. Rupees in FY14-15.
- L&T reward for scoring above par in E-MBA in 2011.
- Won 1st prize at SBU level in Technophilia competition organized at L&T , was also volunteer for this nationwide drive “Joining Missing links – Bridging knowledge between SBU”
- Nominated for MLP and EMP program , Leadership development program at L&T
- Hold first rank in M.E in my branch.
- Certification course from NMiMS , under Executive development program sponsored by L&T Corporate HR
- Recognized for Best Title at GET yearly competition during 1st Year “ L&T – YE = 0 “ GATE score 97.7
