Gujarat State
Biotechnology Mission (GSBTM),
Gandhinagar-382017

ABOUT THE WORKSHOP

Gujarat State Biotechnology Mission (**GSBTM**), Gandhinagar, under the aegis of the Department of Science & Technology, Government of Gujarat is established to enhance the skills and competency of students in the field of Biotechnology, with a broader goal of contributing to sustainable development and improving academics and research in the state by GSBTM, GOG. GSFC University is recognized as Undergraduate Biotechnology Capacity Building Cell (**UG-BT- CBC**), **GSBTM**. The main objective of the cell is to provide an excellent opportunity and a platform for the students aspiring for various competitive exams through an extensive fifteen days workshop by providing comprehensive study material, lectures by eminent faculty and conducting mock tests.

OBJECTIVE

- Create awareness among students about various National Level Competitive Exams.
- Designed to cater the needs of students preparing for prestigious exams like **IIT-JAM, GAT-B, CUET**.

3. Breakfast, Lunch, and High Tea on all days.

Note: Attendance on all the days is mandatory for obtaining the certificate.

ABOUT US

GSFC University is recognized under the Gujarat Private University (Second Amendment) Act, 2014 and is established by the GSFC Education Society - an initiative of Gujarat State Fertilizers and Chemicals Ltd, six decades old industrial giant, to continue the tradition of serving the community in multiple ways. The vision behind establishing this distinct University is societal development through relevant and cutting edge knowledge in frontier areas of professional growth.

Our educational abode dwells on the philosophy of "**Buddhi Gyanen Shudhayanti**". It means purification of mind and intellect through knowledge, which is vital to human life. It strengthens the path of success towards perfection. All the while being compassionate towards mankind and society at large. A huge banyan tree is a part of our logo. It symbolizes multiple roots of innovation that sprout towards sustainable growth. The rising Sun in the background of banyan tree in the logo, symbolizes plethora of opportunities for accomplishment in life.

Augmenting cutting edge skills is the core determination of GSFC University. To supplement and nourish these skills strong industrial support is a vital agent. Students at GSFC University receive a unique opportunity in the form of hands on training in industry besides the classroom learning that gears them for their career development in multiple ways.
