WEAR HELMET / SEAT BELTS - STAY SAFE!

With the constant growth in vehicle ownerships each year, traffic on roads has increased manifolds which results in chaos at times and leads to accidents. Recently, the Motor Vehicles (Amendment) Bill 2019 was passed by Parliament in July and its steep fines were to come into effect from Sep 2019, but will come into effect soon as some states implementation deadlines to give people time to purchase safety helmets and get acquainted with enhanced penalties.

The main aim of GSFC-U is to prevent employees and students from becoming victims of road accidents and losing precious lives. GSFC-U is committed to working for betterment and ensure safety of its employees and students. We are liable to fulfill obligations under Occupational Health and Safety Act & have been strongly associated with the Health and Safety Regulations and Codes of Practices also. **In order to assist and implement the much required road sense amongst us, it is compulsory for all the GSFC-U Faculties, Staff and Students to wear helmet and wear seat belts while coming to University on two / four wheelers with immediate effect.**

Any GSFC-U Faculty, Staff and Students who are seen entering University campus without wearing helmet while riding two wheelers or seen driving without safety belts while driving four wheelers, will be liable under penalties for violation of Code of Conduct and GSFC Policies as per order issued vide note No. GSFCU/HR/CIW446 dated 12th Sept 2019.

We seek co-operation from each GSFC-U Employee and Students to comply with afore mentioned instructions and help in maintaining campus risk free, ensure safe and healthy work environment.
