SUBJECT: Letter of Intent (LOI) of Mutual Cooperation Between GSFC University, Vadodara and University of Dubai, UAE

Dear Esteemed President,

After our last conversations and mutual demonstration of interest between **University of Dubai** (Dubai, UAE) and **GSFC University, Vadodara, Gujarat, INDIA**, I am writing you this Letter of Intent (LOI) in order to formally establish a cooperative relationship that will encourage fruitful cooperation between the members of our academic communities, departments, institutes and research centers.

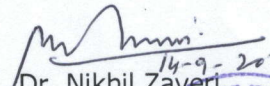

The purpose of the present LOI is to anticipate what we expect it will become a formal agreement in the near future. The terms of such partnership should aim at: Promotion of Students' Exchange, Exchange of Academic Materials, Publications and Information, Enhancement of interest in Teaching and Research activities of the respective institutions.

As for now, we agreed to send visiting students from GSFC University, Vadodara to take courses at UD in the undergraduate levels for 1 -2 semesters/terms on a fee paying basis. Courses taken by GSFC University students will earn credits which they can transfer back to GSFC University. We also agreed to cooperate in the following areas:

- Joint Collaborative Research Activities in the areas of Management focused Topics.
- Study Abroad Programs
- Visiting Fellows
- Online Lecture Sessions to be conducted by UD and GSFCU faculty members on the areas of Economy and Business in UAE and India.

In the hope that we can effectively proceed with this cooperation, we count on your support and thank you, respectfully.

Yours sincerely,
