LETTER OF INTENT

Between

Victoria University
(Australia)

And

GSFC University
(India)

In line with the development of cordial international cooperation in accordance with our mutual interests in developing a long-term mutually beneficial association, Victoria University in Melbourne, Victoria (Australia) and GSFC University, Vadodara, (India) join in this letter of intent.

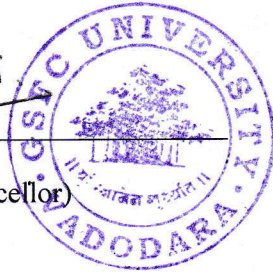

Both Victoria University and GSFC University agree to exercise their best efforts to develop initiatives in the areas of education, research, training, joint publication, digital sessions, workshops and conferences, etc.

This letter has no legal implications or financial commitments from either party.

Signed for and on behalf of
