

## GSFC UNIVERSITY

# Understanding future requirements

Workshop organised on Next Generation Courses in B.Tech (Computer Science and Engineering)

**G**SFC UNIVERSITY in association with Department of Science and Technology, Gujarat Informatics Ltd, NASSCOM, GESIA, organised an interactive workshop on the theme "Understanding the future requirements and prospects of Next generation courses in B.Tech (Computer Science and Engineering)" with focus on Artificial Intelligence & Big Data, Internet of things and Automation, on June 13, 2019. The organisation hosted a wide array of dignitaries namely PK Taneja, IAS(Retd), President GSFC—University Umesh Rajeja, Hon. Jt. Secretary and Director, GESIA, Dhruv Patel, Chairman GESIA Vadodara and Director, GESIA, NASSCOM member, Sanjay Gaden Head SeMT (State e Governance Mission Team) Gujarat and B.B Bhayani, Provost, GSFC University.

President PK Taneja gave an overview of the GSFC University, he highlighted the paradigm shift that GSFC University is adopting, and he also highlighted the strategic goals university is aiming at. He informed that GSFC University have recognised the urgent need of the industry for next generation digitally skilled engineers. Responding to its need,

GSFCU is introducing computer science & engineering program with specialisation in big data and artificial intelligence & internet of things and automation from the academic year 2019-2020. He also emphasised on how these specialised areas will take an artificial-in-

telligence to next level.

The workshop had a eminent speaker from Academia & Industry, the Speakers who eminently delivered were Ekata Mehul Shah- Director Industry Collaboration at Babaria Institute, G. Chandra Moleesswaran-Head Strategic

Learning Services at SAP India Pvt Ltd, Kamal Batra & Ashwani Muraal from PTC University, Jigar Modh from L&T and Sirin Vaddadi from Atos India.

The Workshop not only enlightened about the applicability of next generation course but

also gave a detailed understanding of buzzwords and impact they can have on a diverse sector of Industries.

The workshop observed a massive participation of students, parents & Entrepreneurs from diverse sector of Industries.

## Enhancing the quality of education

Sumandeep Vidyapeeth Institution organises its 7th Annual Convocation Ceremony

**T**HE 7th annual convocation ceremony of Sumandeep Vidyapeeth, an Institution Deemed to be University, was held on, Sunday, June 9. Dr. Russell D'Souza, Head of Asia Pacific Division of UNESCO Chair in Bioethics and Directorate of Asia Pacific Division, Melbourne, Australia was the Chief Guest for the ceremony. The convocation was officially opened by Dr. G. D. Mehta, the Chancellor of Sumandeep Vidyapeeth. During the convocation, a total of 2 PhD's, 4 Super-speciality, 160 Masters, 23 PG Diploma and 642 Bachelor Degrees were conferred upon the successful students in the field of Medicine, Dentistry, Physiotherapy, Nursing, Pharmacy and Healthcare Management. During this convocation a total 15 students were awarded gold medals. Dr. Russel D'Souza delivered his convocation address and congratulated the graduates for completing the challenging training and advised them to make Sumandeep Vidyapeeth, their families, communities and country proud. He further emphasised that by striving each day to help lead the societies, create better lives for all in the midst of this unfathomable change, they can achieve their goals.

He also mentioned six important virtues which a medical practitioner has to possess towards their patients from the book by Dr David Shim titled 'Medicine and Compassion' i.e., generosity, pure ethics, tolerance, perseverance, cultivating pure concentration and to be intelligent. These virtues will empower the doctor and health care professional in you with a humane heart. With his strong oratory skills and encompassing knowledge, Dr D'Souza kept the entire audience occupied for almost 25 minutes.

It is also worthy to mention here that Sumandeep Vidyapeeth has been recognised as Unit of the UNESCO Chair in Bioethics (Haifa). The Vice Chancellor, Dr. Rajesh P. Bharaney, presented the progress report, specially highlighting an Evidence Based Education System (EBES) effectively implemented by Sumandeep Vidyapeeth, which is one of its best and unique innovative practice in field of education. 1,132 faculty participated in national, international conference, 221 faculty were invited as a resource persons. He also added that there were 370 research paper published in various national and international journals. Further, he said till date, 37 collaborations within and outside India, including Center for Healthcare Entrepreneurship in collaboration with Govt. of Gujarat and American Heart Association for BLS and ACLS trainings have been ongoing. He said

that Sumandeep Vidyapeeth is committed to maintain and enhance the quality of education and supporting services in future with active operation of Internal Quality Assurance Cell (IQAC).

Dr Rajesh P. Bharaney gave the vote of thanks and wished in abundance to all the outgoing students for the best in their careers and said, they should never stop pushing the frontiers of their mind and embark on journey of life-long learning and pursue the path as shown by Dr. D'Souza.

**A total of 2 PhDs, 4 super-speciality, 160 master's degrees, 23 PG diploma and 642 Bachelor's degrees were conferred**
